Do not open a downloaded file. iPhone cannot run HTML from Files.

HOW TO ORDER

1. Stay in Safari (not Instagram, not Chrome, not Files).
2. Share button -> Add to Home Screen.
3. Type the shop name and your dog's name.
4. Tap three posters.
5. Copy the brief. Send it back on Etsy with 1-3 real photos.

Eyes visible. Front light. No photo of a screen.

Photos stay on your phone until you attach them on Etsy.

A person finishes the three prints within 24 hours.
